## Scoring

- Each bag on the box = 1point
- Each bag in the hole = 3points
- Any bag touching the ground or “bounced” onto the box does not count and are to be removed prior to the next bag thrown by opposing team.
- Total points for each team are calculated using only the points that were not canceled out.
- The team who scores last will have the first throw of the next round.
- A tie will require extra innings until a winner is decided.
